MOTORIZED CEILING MOUNT PROJECTOR LIFT

The Automated Projector Lift conceals your projector above the ceiling and quickly come down into the “show” position at the touch of a switch or wireless remote control.

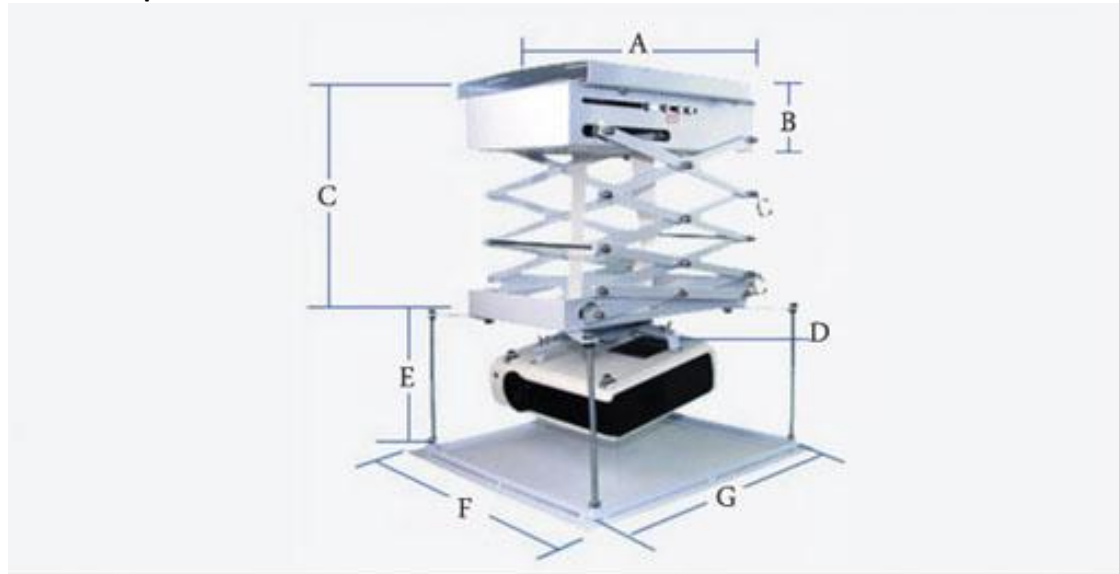

The Automated Projector Lift can also be used for video conferencing Cameras, speakers, etc.

Automated Projector Lifts from a2z will add a touch of class and sophistication to any room.

Automated projector mounts have exceptionally smooth and quiet movement, and are a great choice for finished ceilings in homes and corporate offices.
